TAKE A SHOT . . .

### Clinic Open Until 4 p.m.

More than 15,000 BYU students have not yet had their immunization shots this year, it was disclosed Wednesday by Glen Roundy, assistant director of the McDonald Health Center.

Today is the last day the students can get free smallpox, diphtheria-tetanus and influenza immunization shots. The shots are being given at the Student Health Clinic, 8 a.m. to 4 p.m.

"Although students sometimes believe that this modern age gives them immunity against diseases such as smallpox, diphtheria and tetanus, this is true only because of a universal immunization program," Roundy said.

He explained that immunization against influenza is particularly important for a studentbody such as BYU, which draws from all parts of the country. He said that with students running home to other states every weekend, with no immunization program the chances for outbreaks of epidemics would be great.

...OR TAKE A CHANCE

"Last year, about 65 percent of the studentbody was immunized," Roundy said, "which made the protection level effective. However, this year only about 55 per cent have been immunized."

According to Roundy, unless the figure is raised to at least 50 percent, the protection level cannot be counted on.

"Influenza serum is hard to get, because of the great demand for it. Although our supply of the ser-

um is larger than the supply of other organizations, we were given only a limited supply, which leaves us with enough for only about 1,500 shots."

Roundy explained that when this supply is gone, the students may have to wait a few months for new supplies, and they may be required to pay for the shots.

He urged the students to have their shots as soon as possible.

now would try to get Ruby off on a charge of murder without malice, which carries a penalty in Texas of two to five years. Ruby already has been behind bars nearly three years.

Oswald was shot to death in the basement of Dallas police head- quarters on Nov. 24, 1963, two days after Oswald assassinated Presi- dent John F. Kennedy with a high- powered rifle from the Texas School Book Depository Building. Dallas Dist. Atty. Henry Wade, who directed the prosecution, said he thought Ruby should be tried again on a charge of murder with malice, on which a jury convicted him March 14, 1964.

Wade said he would file a mo- tion with the Appeals Court within two weeks for a rehearing.

The 14-page, 4,000-word opinion was written by Judge W. A. Mor- rison and concurred on by judges McDonald and K. K. Woodley.

McDonald noted that the change of venue hearing took place in the same trial, 100 yards from the scene of the Kennedy assassination. McDonald said the assassination site could be seen daily by jurors.

"The feeling and thought had been generated that Dallas County's deprivation of prosecuting Os- wald could find an atonement in prosecution of Ruby," he wrote.

"It is fair to assume that the citizenry of Dallas consciously and subconsciously felt Dallas was on trial and the Dallas image was up- permost in their minds to such an extent that Ruby could not be tried there fairly while the state, nation and world judged Dallas for it.

"The Press had a field day with stories stating directly, indirectly, by hints and innuendos that a communist conspiracy existed be- tween Oswald and Ruby. Ruby was referred to as a 'tough guy,' a 'Chicago mobster,' a 'strip joint owner.' Anti-semitism against Ruby was sparked by pre-trial publicity that Ruby's name had been changed from 'Rubenstein' to 'Ru- by.'"

He said "strong local prejudice" was further reflected by Parkland

## Threat Denied

LANSING, Mich. (UPI)—Gov. George Romney indicated Wed- nesday his life was indirectly threat- ened last month. But his body- guard denied it.

Romney was asked at a news conference whether he was threat- ened as was Michigan Atty. Gen. Frank Kelley, who disclosed Aug. 23 he was threatened for pushing a one-man grand jury investiga- tion of organized crime in Wayne county (Detroit).

"No, not directly," Romney re- plied. But he said state police guarded his home for "a brief period."

"You get all sorts of stuff," Ro- mney said. Asked how the alleged threats came and from whom, the governor said, "I leave all that to the state police."

Hospital's refusing to allow Ruby to undergo neurological testing. Kennedy was pronounced dead at Parkland. The trial judge retained a public relations man to handle courtroom seating, and "some 300 members of the news media oc- cupied most of the seats in the courtroom," McDonald said.

Morrison, who wrote the general opinion for the court, noted that the defense made "strenuous ob- jection" that Ruby's statements to police were inadmissible oral confessions.

## Great Society Is Failing

NEW YORK (UPI) — Former Sen. Barry Goldwater predicted Wednesday that the Johnson Ad- ministration will achieve its Great Society "when everyone has been forced by government edict and control to live at the same level."

In a scathing speech at a Free Society Association rally, his first major pronouncement since his un- successful 1964 campaign for the presidency, the Republican leader equated the Great Society with socialism which he said conservatives had long since rejected be- cause it has always failed.

"Conservatives do not reject in- novation or new ideas," he said. "They reject only those things that have proven to be failures in the past and that are continually being foisted on the American people as something new."

Goldwater said one of the rea- sons for growing conservative strength, as shown in primary elec- tions from New York to Idaho, is "the deep yearning of the American people for a re-birth of freedom in this land of the free." He said the Great Society would give no recognition for superior ability and excellence and no re- ward "for doing a better job than the next man."

"Conservatives naturally resist this leveling process, this attempt to make all human individuals mere cogs in one vast machine," he said. "They resist it because they know that every such attempt down through history has failed miserably . . ."

"Even as we meet here tonight, there are strong rumors that wage and price and rent controls may be imposed on the American econ- omy after the November elections. Such controls have failed in the past, they are failing today when- ever used, and they will fail in the future. If they are used again, it will be because of yet another failure—the failure of the 'New Economics'."

# Strikes Layoff Workers

Strikes idled more than 50,000 jobholders across the nation Wed- nesday and harried mediators feared the total might exceed 250,000 before the current labor unrest is resolved.

Chrysler Corp. officials, who have laid off 45,000 workers as a result of a strike at the firm's Twinsburg, Ohio, stamping plant, said that if the 6-day-old walkout continues to next week the com- pany will idle 110,000 employees.

Federal mediators met at Wash- ington with management and labor leaders in an effort to avert a walkout which could idle 120,000 General Electric Co. employees. Prospects for an early settlement appeared dim and union officials said a strike could come in 12 days.

Some 4,000 Chevrolet production

workers walked off their jobs at St. Louis Tuesday in a dispute over work standards and as a result, the nearby Fisher Body Plant, em- ploying 3,000, was shut down.

Elsewhere in Labor Relations: Nearly 1,000 workers walked off their jobs Wednesday at Michigan Bell Telephone Co. installations in Lansing, Pontiac and Flint, Mich., in the latest of a series of wildcat strikes during contract negotia- tions.

Local disputes idled about 2,000 General Electric Co. employees at plants in New York and Massachu- setts but United Auto Workers, heading appeals from President Johnson and union head Walter Reuther, returned to jobs Wednes- day at GE's Carbody Division plant at Warren, Mich.

# Cougars Prepare For Invasion Of Downtrodden USU Farmers

by Gorm Klungervik  
Universe Sportswriter

The injury-riddled Utah State University football team, in the doldrums of a three-game losing streak, takes on an undefeated squad Saturday afternoon in Logan Stadium.

The Cougars, currently riding the crest of a four-game win streak, began last season, are anxious to avenge a 35-22 loss suffered at the hands of the Aggies at Logan Stadium.

Utah State's Aggies' tabbed by the beginning of the current season to be one of the strongest in the country despite the absence of Roy Shivers, have been all disappointment to their fans.

**ONE TOUCHDOWN**

The Aggies have scored only one touchdown per game in successive games to New Mexico (17-9), Nebraska (28-7), and New Mexico State (7-1).

Regular Farmer quarterback Edwards suffered a groin injury against New Mexico State last week, and may not play against the Cougars Saturday.

So injured player is defensive tackle Spain Musgrove, 6'4", 285 lbs. Aggie candidate for All-American honors this year.

Each Tommy Hudspeth will be pretty much to the lineup has earned victories over San Jose State and Colorado State in four games.

San Ogden, Western Athletic Conference Back of the Week following BYU's harrowing victory over Colorado State, is dominating Cougar statistics picture thus far.

Ogden carried the ball 51 times for a net gain of 232 yards—4.5 yards per carry—in setting the pace for his team mates.

Perry Rodriguez, the hard-driving Marine tailback, followed Ogden behind in the yards per carry race with 4.3. Perry has carried the ball 25 times for a net of 108 yards.

Right end Dennis Palmer added Phil Odle. Perry Rodriguez and Ogden in the number of pass-catches, but Perry Rodriguez's yard romp against CSU gives an average of 52.5 yards to the team.

**GOOD RECORD**

Ogden has caught passes for 114 yards, 11.4 per catch. Odle added the pigskin 4 times for 68 yards, an average of 17 yards per catch. Rodriguez has 2 for 105 yards. Steve Ogden has gained 7 yards with two catches.

Reggie Carter, the versatile Cougar quarterback, has the lead in offense. Carter gained 87 yards on rushing and has passed way to 230 more for a 342-yard offense gain.

## Bicycle Club Wants Riders

Several BYU students are recruiting a bicycle club on campus. The purpose of this club is to promote the sport of bicycle riding, compete in races, and show films. Recently the group is concerned with getting a team together to compete in the annual BYU-Utah intercollegiate bicycle race scheduled for Nov. 6. Any interested student wishing to join with this group should contact either David Pratt (374-9983), Ed Vetterlein (374-8829), or Tom Wiley, at 3 So., 808 W., Provo.

As a team, the Cats have outscored their opponents 46-33. The Cougars have out-rushed their opponents 373 yards to 173, but are behind in the passing yardage, 283-371.

The deficit in passing, however, isn't enough to set the Cougars back in net yardage. The Pumas lead their foes 656 to 606.

The BYU football squad has lost only one fumble as compared to six lost by their foes. Penalties have hurt the Cougars, but not as much as it has paralyzed the combined efforts of San Jose and Colorado State.

BYU has been penalized 12 times for a loss of 137 yards while the misdeeds of the opposition have cost 153 yards with 15 penalties to their credit.

Attendance at the pair of games has averaged 21,011 fans, 17,000 people saw the Cougar debut as they whipped San Jose 19-9, while 25,023 witnessed the Colorado State tilt in Cougar stadium.

Football tickets for the Utah State game Saturday will be distributed starting at 11:30 a.m. at Cougar Stadium.

John Hawkins, spokesman for the Student Athletic Board, urges students who leave the stadium area after receiving their tickets to return as early as possible, to avoid congestion at the entrance. Game time is 1 p.m.

The 30,000-capacity stadium is expected to be filled to overflowing, and J. Elise Cameron, Dean of the Students has issued a plea to students to park on campus and walk to the game.

Students will be required to show their activity cards both when picking up tickets and when entering the game.

Groups desiring block seating for the Arizona State game Oct. 14 must conform to the following rules:

1. No group under 50 people
2. The 4 or 11 inch paper, folded names on one side only

Giant Rally  
Kicks Off  
Pep Events

"Let's see those Cougar claws!" cheer the yell leaders as they stir the school spirit pot.

The yell leaders are part of the spirited Pep Committee headed by J. D. Williams. Also included in the committee are pep leadership twirlers, Corns, the marching band, the card stunt section, and the Young Men.

For months, the committee has been preparing special events to bolster enthusiasm and spirit among the BYU student body.

Inaugurating the year's pep activities will be a giant pep rally Friday, from 4 to 8 p.m. The rally will begin with a smoke dance from Wymount Terrace, to Desert Towers, Heritage Hall, Heleman Hall, and climax at the Smith Fieldhouse.

The Pep Band and other pep groups will join the rally for the introduction of the football team by head football coach Tom Hadspeth.

The pep committee will present an inter-house arena trophy to the Darn area which has the greatest noise. Darn areas will be marked in the Fieldhouse and all students are encouraged to sit in their designated places.

Second on the agenda of pep routers is the card stunt display to be presented Sat. at the B.Y.U.-USU game. In past seasons, card stunts have been the highlight of halftime activities. Those wishing to participate in the stunts are asked to wear white shirts and blue pants.

Students are also reminded to handle the cards with care between stunts, as individual cards are very valuable from the opposite side of the stadium.

3. Names must be typed on alphabetical order.
4. Place "chair" or "table" by the name of the person desiring that display.
5. Submit separate list for each game, clearly identifying that game. The list should be placed in the Student Athletic Board box by 5 p.m.
6. Pick up tickets Friday between 4 p.m. and 8 p.m. at the checkroom near the main desk in the Fieldhouse Center.
7. One person may pick up two tickets with one activity card.

Drysdale, Dodgers Drop  
First Game Of Series, 5-2

LOS ANGELES (UPI)—Baltimore's devastating daily drubbing of Frank Robinson and Brooks Robinson joined the Los Angeles Dodgers early and "washed up" Steve Drabowsky summed them with a record-equating relief job for a 5-2 victory Wednesday at the World Series opener.

## UNLIKELY TRIO

That unlikely trio, the two Robinsons and the curly-haired, 31-year-old Drabowsky, who was drafted under by four other Major League clubs as all used up, forced a crowd of 35,941 to sit in stony silence as they cursed the Dodgers' first World Series defeat ever in their 33-stadium stadium.

Frank and Brooks Robinson played the role of the aggressors with a pair of first inning homers which apalled the Orioles to a 3-0 lead while the husky, right-handed Drabowsky served as executioner by blanking the Dodgers on one hit and striking out 11 men over the last 6 and 2/3 innings.

## WORLD SERIES RECORD

The Polish-born Drabowsky, picked up from the minors in the draft last November, equaled a 47-year-old World Series record by striking out six consecutive batters in the fourth and fifth innings.

This was the Orioles' first World Series game in their history but they didn't act like it.

They took charge from the start, culling loser Don Drysdale from runs on as many hits as first two innings. Although starter Dave McNally didn't pitch much longer, Drabowsky looked like Larry Jaster in the Dodgers. The Orioles rapped Drysdale Joe Mauer, Bob Miller and Ferrantini hit more hits, including two homers by the Yankees and doubles by Boog Powell and Dave Johnson.

Gary Morris and Joy Petersen, new BYU bowling team captains gaze at second-place trophies won by last year's team seeking incentive for a championship in the new Intermountain Bowling Conference.

## Teams Chosen . . .

# BYU Keglers Anticipate New Season

by Dave Hoover

BYU's intercollegiate bowling team has been formed following the final sudden-death roll-off last Tuesday.

The eight finalists who won positions on the men's team are: two-year veteran Mike Newton with a 15-game total of 2688 pins and a 195 average; Ray Campbell, 183; Gary Morris, 185; Ricky Woodward, 178; Leony YuWay, 175; Alan Barus, 175; Sherman Phelps, 173; Parker Owens, 171.

Earning positions on the women's team are: Joy Petersen who won first place by a safe margin with a 1908 total pinfall and a 160 average; Lynda Hunter, 152; Linda Paxton, 149; Barbara Gibb, 147; JoAnne Johnson, 147; Susan Judd, 145; Linda Conrad, 137; Karen Jensen, 135.

Women's team manager, Ann Valentine, who was extremely pleased with the scores of those who made the team, admitted that the high averages of last year's team were lower than the starting averages of the new team.

After the final match, team captains were chosen for the 1966 men's and women's team. Second-year veteran Gary Morris, a

senior history major, was picked to lead the men. Joy Petersen, graduate student in Physical Education, was voted Women's captain.

Both teams will begin practice on October 11 in preparation for the first Conference match which is tentatively scheduled for November 12 at University of Utah.

# Coach Startin Molds Freshmen

Freshman football coach Wayne Startin seems to be pleased with his crop of gridders, though the frosh don't open their season until October 21.

Coach Startin and his aides have the former prep stars for about an hour each day before they begin to work with the varsity.

With the first of the four frosh games still three weeks away, the majority of the recruits have not settled into any one position.

Regardless of the athlete's position in high school, the BYU coaching theory is to teach the freshman all phases of the game.

## STARTIN'S PLANS

Late this week Coach Startin plans some formal contact work within the squad and from there the starting team members will begin fitting into a unit.

Although the squad includes players from many parts of the

country, forty of the players are from the West:

Among 11 Utah athletes on the squad are Tom Hunsaker (6-1, 205), a guard from Brigham City; and Steve Wilson (5-11, 170) from Spanish Fork, who is currently working at the tailback spot.

## BEEHIVE STATERS

Other Utahans: Ken Call, (6-0, 175) and Bob Winegar (6-0, 180), halfbacks from Davis High School; end Kerry Collins (5-10, 170) and quarterback Brian Gundersen, (6-0, 170) from Olympus High; end Mike Jacobsen, (6-2, 190), Viewmont High; end Scott Maw (6-2, 225), Ben Lomond; end Bill Rowan, (6-2, 200), Provo High; quarterback Terry Sanford (6-0, 165), West High, and Ray Valgardson, tackle (6-1, 220), BY High.

There are 15 Californians on the squad.

End Jeff Slipp, Las Vegas, is

the lone representative from Nevada.

Dale Christensen, a quarterback, comes from Central High School in London, England. Others from distant areas are QB Don Griffin, El Dorado, Ark.; fullback Larry Standliff, Lawrence, Kan.; and wingback Kenny Hiatt from Mount Airy, N.C.

## Acting Family Living Dean Former Prof Of The Year

One of the additions in the office of the Dean of the College of Family Living is a white marble penstand flanked by two pens in a golden plate enshrined, "Dr. Eugene R. Porter, Professor of the Year, Brigham Young University, 1963-64." Dr. Porter is Acting Dean of the college while Dr. Virginia F. Cutler is teaching at the University of Glenside on a Fulbright Scholarship.

Dr. Porter returned to the BYU after serving as Visiting Professor at the University of London on a Fulbright Research Scholarship. From 1955-63 he was Professor and Chairman of the Department of Human Development and Family Relationships here.

He received his B.S. in 1947 from BYU and his M.A. two years later. In 1952 he earned his Ph.D. at Cornell University. He has taught at Iowa State College, Cornell University, and the University of Nevada.

He is a member of Alpha Kappa Delta, Omicron Nu, Phi Kappa

Phi and Psi Chi. He is listed in "Who's Who in America" 1964-65, 1966-67 and "Who's Who in the West."

Dr. Porter has traveled throughout Eastern Europe, Mexico, Canada, The United Kingdom, and most of the United States. His publications are included in such magazines as "The Improvement Era," "The Instructor," "Your Child's World," and the "Journal of Home Economics."

In spite of his numerous honors and recognition Dr. Porter considers the three years he served as a campus ward bishop as the "hardest and most rewarding" experience of his career. He said that it was a time-consuming position but it was deeply satisfying to learn about and get to know students outside the classroom.

A man with the qualifications of Dr. Porter is usually sought after by many universities, but shares the feeling voiced by so many members of the BYU faculty when he says "There is something here that money cannot replace."

## Doxey Assumes Belnap's Position As Dean Of Religious Instruction

Because of the illness of Dean Belnap of the College of Religious Instruction, Ray W. Doxey, chairman of the Department of Undergraduate Studies, has been named as Acting Dean.

Dean Doxey, who is convalescing satisfactorily at his home in Provo, underwent surgery in July, and has been granted a year's leave of absence. Appointment of Prof. Doxey as Acting Dean was made on Aug. 3.

As acting dean, Prof. Doxey has complete direction of the College which includes scheduling teachers' classes, providing arrangements for syllabi, and informing the faculty on policy and any changes affecting them. In addition is that, he still acts as chairman of Under-

graduate Studies.

### 43 ON FACULTY

Prof. Doxey reports that this year there are 43 active members on the faculty, plus 20 part-time teachers, returned from various seminars and institutes, who teach lower-division classes while working on advanced degrees.

Presently, Prof. Doxey is the President of the Provo Stake, Chairman of the Board of Directors of the Utah Valley Branch Genealogical Society in the Clark Library, a member of the YMMIA General Board, and a Director of the Utah Valley Hospital Board.

Prof. Doxey was born in Ogden, and attended Weber College. After receiving his B.A. and M.A. in

economics at George Washington University he was an assistant for the National Housing Agency in Washington D.C.

### MISSION PRESIDENT

From 1944-48, he served as president of the Eastern States convention before joining the BYU faculty in 1948.

Prof. Doxey has authored books, including four volumes, lesson-day prophecies and the true and covenants. In 1958 he contributed to the "Era," "Instructor," MIA and Melchizedek manuals, he has been theology lessons for the MIA Society since 1957.

Prof. Doxey and his wife Al have four children, two of whom presently attend BYU.

## Children's Theater Award Given To BYU Student

Patricia Pierce, a graduate student of BYU, recently received the \$1,000 Campion Bell Scholarship Award.

It was presented to Miss Pierce at the Annual Children's Theater Conference meeting at Tempe, Ariz., by Professor Jodi Davis, former CTC National director. The award was presented on behalf of the Children's Theater Foundation, presided by Professor Albert G. Mitchell of BYU.

The panel of judges for the competition, which involved fifty competitors from universities across the nation, was represented by Mrs. Dorothy Schwartz of Birmingham, Ala., who said "This state of candidates is of an exceptionally high caliber" and "we commend Miss Patricia Pierce on the excellence of her achievements."

### TO PURSUE STUDIES

The Campion Bell award will help Miss Pierce to pursue her studies in theater and to further

prepare for service to children through Children's Theater. She expects to continue her graduate work in the Dramatic Arts Department at BYU. She is a native of Moses Lake, Washington.

Miss Pierce spent two semesters studying at the Sorbonne in Paris on a scholarship as a French major. Afterward she traveled for four months in 16 countries visiting theaters and schools. She has acted as a graduate assistant in Dramatic Arts at BYU and as director in the Camp Park Theater, Cleveland Heights, Ohio.

### Grad Joins Romney

Anthony V. Ragone, a recent graduate of BYU, has been appointed Administration Assistant to Michigan Governor George Romney in his campaign for re-election.

Ragone graduated in Communications with an interest in public relations.
